Use as a color compound for all metals plastics
and acrylics

K-30 Superior Rouge Buffing Compound

A medium dry grade that has been our most popular seller for years, for all classes of coloring buff. A white compound made for pure alumina that produces a good cutting and coloring action without creating scratches. Best use for color buffing on Steel, Stainless, Brass, Copper, Zinc and Aluminum. Use in conjunction with color bias type buffing for extremely high luster.

K-30 Superior Rouge Buffing Compound
